Grade 5 Homework - Term 3
Week 6

Times Tables Challenge: Write into your book the 4 times table and the division form of the table. ie. 4 ÷ 1 = 4 8 ÷ 4 = 2 etc (remember how we did it in grade 4)

Answer these equations

9 x 40 = 40 x 110 = 900 x 4 = 4 x 100 = 4 x 500 = 40 x 200 =
400 x 3000 = 400 x 600 = 40000 x 5000 = 400 x 70 = 4000 x 90 =

Challenge yourself! 0.4 x 0.5 = 0.4 x 2 = 0.4 x 10 =

Literacy

Correct all the mistakes in the following paragraph. Pay particular attention to the ‘sh’ words. Make sure the punctuation is correct. Copy the paragraph correctly into your homework book. Make sure that your handwriting is neat.

What would happen if you were to try and dig a whole in your backyard that went through to the other side of the earth. Is it possible. Has anyone ever attempted such an expedition. What’s in the centre of our planet. Which continent would the whole open at. Maybe Russia? Do you think the tectonic plates would be too hard to drill through. What kind of equipment would I need? Perhaps I’ll put my dog to the task. He’s good at digging wholes!

Look on the back of the sheet. There are some ‘sh’ words written. Add them to the crossword to make it bigger. Make sure you add the clues. Color/shade the words that have already been used.

Mathematics

Complete some work on Mathletics.

Chance and Data

Make a list of three things each that have no chance of happening, little chance of happening, a great chance of happening, and a certain chance of happening. Then rate them in order from 1-12.

Integrated Studies

Make some time available to doing some research for your CBL. Make sure you have completed any work on your Keynote. Think about your personal goal for the task. Have you thought about what you need to do to achieve your goal. Make a plan/list or Popplet about the steps you need to work on to achieve your goal. This will be checked in class.

- Homework and Reading Logs are due at school each Friday.
- Sport Training is on Wednesday session 3.
- Library bags must be at school on Monday.
- Fathers Day stall – Thursday 29th August
- Bring your ‘Book Swap’ books
- Let’s try and bring our Bank Books in Grade 5
- PREMIERS READING CHALLENGE IS NEARING ITS END. Have you read enough books?
