English - Literature Circles
Next week our Literature Circle sharing sessions will be on Monday, Wednesday and Friday.

Make sure you are up to date with your:
- Reading
- Current role & activity (eg. Character Captain)
- Completing short summaries in your book
- Posting predictions on the grade blog

Science - The Sun, Moon and & Earth
It’s hard to believe but we are nearly half way through our science unit!

1. List at least ten new things that you have learnt this term and explain how you have gained that new knowledge. You might like to include facts, descriptions, drawings etc. Present your work in an interesting way.

2. List at least five things you would like to still learn about the ‘Our Place in Space’. We would like you to be able to report back on these later in the term, so make sure that you can find the answer.

Maths - Times Tables: Multi Squares
Put the correct number in each box so the horizontal and vertical product are correct.
