Maths - Times Tables

Remember that you should be practising your times tables each night, even if homework hasn’t been set.

Complete the four times tables challenges on the back of this page. In the last two columns you will need to select two times tables that you think you need more work on. Don’t forget to time yourself!

Guidance: You can check your answers on page 12.

English - Out of My Mind

We know that many of you in Grade 5 are enjoying this great book by Sharon Draper and it’s great to see.

The answers to these questions must be at least a paragraph.

1. Melody struggles to communicate her wants, needs and desires to those around her. Predict how your life would be change or remain the same if you were unable to communicate with others.

2. Melody wants to be just like everyone else. Discuss the similarities between you and Melody.

Guidance: You will need to answer both questions.

Science - Moon Diary (continued from last week)

A reminder that the moon diary should be filled out each night.

You may need to use the Internet for parts of this task, eg. for research into phase names or rising/setting times or if it is cloudy.

The moon diary is due Monday 2nd December.

Reminders
★ Homework and Reading Diaries due each Friday
★ iPad must be backed up and software up to date
★ Stay up to date with Literature Circles reading & activities. Our last showcase session will be on Monday.
★ Monday 11th November - School Photos
