**Maths - Times Tables**

Let’s mix up our tables practise this week...

a) Your task is to create a set of ‘flash cards’ for a set of times tables you find difficult. Write the sums on the cards but don’t include the answers.

b) You must ask someone in your family to help you at least 4 times this week by ‘flashing’ the shuffled cards at you and you calling out the answer.

c) Write the four dates and times you practised during the week below. You might like to time yourself for a challenge!

<table>
<thead>
<tr>
<th>Practise 1</th>
<th>Practise 2</th>
<th>Practise 3</th>
<th>Practise 4</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

d) Staple or paper clip your cards inside your book to show your teacher.

**English - Reading**

Sometimes it is difficult to find books that you enjoy reading. Hopefully the grade blogs will become a place you can visit when you are stuck for what to read next.

On your grade blog, your teacher has made a post called ‘Recommend to a Friend’. You task is to answer the 4 dot points on the post (as a comment on the blog!) about a book that you have enjoyed reading recently.

**Integrated - Australian Colonies: Part 1**

A day in the life of a convict.

a) Imagine that you have a chance to meet a convict travelling on The First Fleet.

b) Write a list of questions you would like to ask them about a day in their life. Include these question starters: Who, What, Where, When, Why and How.

c) Research possible answers to some of these questions.

d) Write a short journal entry as if you were a convict on The First Fleet. Explain what the conditions were like and use descriptive words.

**Integrated - Australian Colonies: Part 2**

Heritage Fun Quiz!

What was the second Australian state to be settled after New South Wales? You may need to do a little research. Don’t forget to reference your answer!
